TYPES OF EVALUATIONS

- A. Document-by-Document - This evaluation names and describes all diplomas, certificates, degrees, periods of education or training and gives a U.S. equivalent for each. This report is appropriate for freshman or graduate admission, for immigration purposes, for military enlistment and for employment.
- B. University and Post-Secondary Course-by-Course - This evaluation provides the same information as the Document-by-Document Evaluation, but also gives course, grade, and credit equivalents in U.S. terms for university level study in other countries. This type of evaluation is usually required for transfer into a U.S. college or university. It is required for teacher certification, licensing or membership in professional associations (Engineering, Midwifery, Nursing, Barber and CPA programs require separate evaluations).
- C. High School Course-by-Course - This evaluation lists high school courses taken, equivalent US high school units and equivalent US grades. This evaluation is required for students transferring into high schools in the United States and it is sometimes required for freshman admission.

It is the responsibility of applicants to request the type of evaluation and additional services they need.

PROCESSING TIME
